

RADIOLOGIST: BC – Downtown Vancouver

At Downtown Radiology, we are proud to provide exceptional diagnostic imaging services for over 30 years. Our fully digital imaging centers serve the Greater Vancouver area. Currently we are seeking a Part-Time radiologist to join our dynamic team. We perform fluoroscopy, ultrasound and general radiography, and BMD.

Successful candidate must be:

- Certified by the Royal College of Physicians and Surgeons of Canada
- Licensed by the B.C. College of Physicians and Surgeons for practice of radiology;
- Have postgraduate fellowship training in radiology;
- Perform efficiently in very high volume practice.

We offer competitive rates and a friendly work environment. Also no on-call or after hours responsibilities.
